

NEWSLETTER 3B of 2013/2014 (January 2014)

Dear Member

NEW CATERER

In the same manner that United are looking at ways to improve the team, our Branch have also decided to improve the line-up with immediate effect and looked at another alternative in the bar/catering field by making important changes which we believe will be in the best interest of the membership.

With effect from the 31st January, 2014 Manolo Rodriguez and his colleague Antonio (cook) will take over the Bar/Catering facilities.

Manolo is already well know in local social circles with 'tastings' of his fine hams and cheeses in various places like the Customs Club; Lions FC., Boat Owners Club and My Wines, now Manolo wants to go one further and have a permanent base in Gibraltar, by joining with us.

Manolo will inaugurate his arrival by offering a complimentary paella as from 1.00pm on Saturday, 1st February, 2014 prior to the match at 4.00pm against Stoke City. He will also have a variety of popular dishes.

It is Manolo's intention to organize a variety of lunches on specific dates but will always have fresh produce in meat & fish on a regular basis

We welcome Manolo to the Branch, and trust that you the member try his dishes and support the Branch whenever you decide to dine out with your family and friends.
