

NEWSLETTER 3C OF 2013/2014 (FEBRUARY 2014)

Following our earlier Newsletter, the Branch is pleased to announce we have now agreed with Manolo the Club's new opening and closing hours.

The premises will open from Tuesdays to Thursdays from 11.00am to 4.00pm. On Fridays and Saturdays he will open from 11.00am till late for both lunch and dinner. On Sundays from 11.00am till 4.00pm and later if need be.

In addition the Club will also be open on match days irrespective of whatever time or day it is. In such an event he will open at least 4 hours before unless of course it is a Saturday or a Sunday when he would be open anyway.

He is joined by Antonio a professional chef who used to work locally and has extensive experience of the local palate. The Bar and waiting staff are Carolina and Miriam.

There will be an extensive food menu on non-match days (attached) plus an extra menu on match days. A 'tailored menu' for those members and guests that only have a short lunch break is also being introduced.

Members, guests and friends are welcome. The Committee can assure everyone that the food is of the highest quality and at very reasonable prices.

Manolo will also be very happy to open at other times for specific group functions. The telephone number to contact him at the club is 20069899.

For regular news, please visit our Facebook page – (***Branch Sec Gibraltar***). Alternatively send a friend request and any new information will automatically appear in your timeline.
