

## **NEWSLETTER 3A of 2013/2014 (November 2013)**

Dear Member,

On behalf of my Committee, I would like to express our sincerest thanks to all those members that generously contributed towards Sir Alex Ferguson's Retirement Gift.

We started this long winded project in June of this year, when at our Annual General Meeting, you the members, unanimously supported the Committee's proposal to commission a painting of Sir Alex Ferguson, and requested Christian Hook to undertake this task.

The portrait of Sir Alex has been a great success and everyone who wanted had an opportunity to view the great work by Christian.

It is intended to present the 'gift' to Sir Alex in December, when the Branch visits Manchester on their 21<sup>st</sup> Official Branch Trip.

Thank you all!

**THE COMMITTEE**
