NEWSLETTER No 1K of 2015/2016 (24th APRIL 2016)

Dear Member,

We are now almost at the end of the season, but as a Branch we need to plan ahead for the Season 2016/2017.

In this context we would like to give you sufficient notice that Manchester United has made several changes for the new season. Whereas the end of July was the date when our ticketing allocation for the season was determined based on the number of members registered by this date, in the coming season this has been moved forward to the 28th June, 2016.

It is therefore imperative that you as a member renew your membership before the 28th June 2016, as this will establish the number of tickets allocated to the Branch especially important for the high profile matches when this is strictly controlled and agreed with the number of members by the 28th June, 2016.

Membership Fees will be the same as the current season, although there will be no discount for renewing members or those members that renew by the 28th June 2016. However, those members that renew with the Branch by the 28th June 2016 will have certain preferences over those members that renew after the 28th June if it came to an over subscription of tickets for high profile games.

In mid May you will also be receiving a Newsletter with Notice of our 23rd Annual General Meeting together with new renewal forms for the season 2016/2017.

At the time of writing we are still in the F.A. Cup and still with a chance of making the Champions League fourth position. So let us hope for the best.
