## **NEWSLETTER No 2 of 2017/2018 (July 2017)**

Dear Member,

As you may be aware, the committee and several members have been working very hard since mid-March to make huge improvements to Vault 33, which had been in a neglected state and had suffered from water ingress for many years. The recently completed government project at Wellington Front has given us a great opportunity to expand our premises into this Vault and in doing so provide members with a far better match day and dining experience.

The committee together with Manuel Rodriguez Trigo, our Club Steward, have organised a barbecue to mark the end of the works, which will coincide with United's UEFA Supercup match against Real Madrid on 8th August 2017. Kick-off is at 8.45pm.
